The University of Alabama, Culverhouse College of Business, Tuscaloosa, AL

Major: Finance GPA: 3.6/4.0 *Dean's List & President's List*

## RELEVANT COURSE WORK

---

**Intro to Accounting:** Studied financial and accounting reporting concepts in financial decisions

**Marketing:** Established framework for the nature of domestic and global marketing management for goods and services

**Business Communications:** Analyzed rhetorical context to gain effective and efficient workplace writing and communicative skills

**Organizational Theory and Behavior:** Completed weekly assignments dedicated to one brand and their central management tasks

## PROJECT WORK

---

**Organizational Theory and Behavior (GBA 300)**, Fall 2021

*Class Project*, The University of Alabama, Tuscaloosa, AL

- Researched a company to determine profitability and marketability for a new sister company based in another country
- Collaborated with 5 team members to compose final report and recommendations utilizing Google Docs and Slides
- Strengthened public speaking skills by presenting material to peers in a business environment

## WORK EXPERIENCE

---

**Gymnastics Coach**, August 2017 – June 2019

*Armory Athletics*, Montgomery, AL

- Create and implement lesson plans for gymnastics classes for students ranging from 2 to 17 years old
- Improved student performance with specific skills and individual routines by an average of 20%
- Maintain a clean and safe program by organizing and disinfecting equipment along with analyzing their condition from usage

**Assistant Manager**, June 2019 – January 2020

*Journeys*, Montgomery, AL

- Maintain a clean, organized inventory and curated displays of rotating seasonal shoes, clothing, and accessories
- Perform POS system transactions including credit, cash, exchanges, refunds, and returns to ensure seamless and precise flow
- Actively stay informed about sales and provide customer needs with high quality service while upholding brand standards

**Floater**, August 2021 – May 2022

*First Presbyterian Preschool*, Tuscaloosa, AL

- Create a fun and interactive environment planning activities that both stimulate and entertain the children
- Maintain a clean environment by changing 10-30 diapers daily, potty training children, and regularly sanitizing surfaces
- Administer meals and medications specific to each child's dietary restrictions including lactose and nut intolerances

**Financial Analyst Intern**, May 2022 – August 2022

*Amazon*, Seattle, WA

- Analyze and pull data from newly learned software TM1 and Service Cost Tool website to understand the average and marginal cost flow structure
- Effectively create an automated model to solidify profitability gaps and drivers for FSx for OpenZFS and the 10 regions it is currently launched in
- Clearly communicate and collaborate with manager and team members to prepare a final document of my project deliverables
