STUDENT AT THE UNIVERSITY OF ALABAMA

PROFESSIONAL SUMMARY

Kappa Delta Sorority

- Organize and participate in eco-friendly events with the members of our sorority.

FATE Club

- As Energy Sector Leader, I actively monitor intraday movements of the financials for the financials for the Energy Sector within the S&P 500. I also conduct weekly meetings with members of the sector to discuss the state our current and potential holdings.

PROFESSIONAL EXPERIENCE

Internship at Sotheby's International Realty, Palm Beach, Florida 2020-1/2021

I was given the opportunity to work with Jane Scott at Sotheby's as an intern. While I was working, I had the opportunity to see what exactly she does during the day. I worked on excel mailing lists, social media, and postal cards.

- Working at Sotheby's International Realty I learned many social skills by putting myself in an environment I was not fully familiar with. I learned many life skills within excel and social media platforms.

Cashier at 3 Natives, West Palm Beach, Florida, March 2020-December 2020

At 3 Natives I was taught how to make juices, wraps and Açaí bowls all from scratch. 3 Natives takes a healthy twist to the mindset of "fast food" by serving health and convent food at an affordable price.

- Working at 3 Natives has strengthened my skills of multitasking and being efficient by doing multiple tasks within the store and gained multiple life skills as well as professional relationships.

Receptionist at Club Pilates, Jupiter, Florida, 2017-2020

As a receptionist at Club Pilates I was in charge of selling memberships and merchandise, as well as making sure all members checked in. I was also responsible for cleaning all the machines used during classes and made sure customers had everything they needed.

- While serving as a receptionist I greatly enhanced my communication and client facing skills, while being the first person they saw when they walked in it was very important for me to greet them appropriately to represent the studio well.

Lifeguard at Rapids Waterpark, West Palm Beach, Florida, 2016-2017

While lifeguarding at Rapids Waterpark, I was able to gain important time management skills and adaptability while scheduling shifts. I also formed the important skill of responsibility while looking after younger children who were not experienced swimmers.
